## LANCOM 2-Year Warranty Extension

This option extends the manufacturer's warranty on LANCOM devices by two years

- increasing the warranty period on LANCOM routers and access points to a total of 5 years insgesamt
- The option can be activated once for each device
- The option has to be activated within three months of purchasing the LANCOM device

LANCOM provides a basic manufacturer warranty on all of its routers and access points for a period of of three years. By purchasing the LANCOM 2-Year Warranty Extension within the first three months of buying the LANCOM device, the manufacturer's warranty can be extended to cover a total period of 5 years.
